E-VET WEB

The screenshot displays the E-VET web application interface within a browser window. The browser's address bar shows the URL "https://E-Vet.co". The main content area features a large green heading "WELCOME TO E-VET" at the top. Below this, on the left side, are the login fields: "Mail :" followed by a text input box, and "Password :" followed by another text input box. A blue link "Forgot your password ?" is positioned below the password field. Two buttons, "Sign-In" and "Sign-Up", are located at the bottom left of the login section. In the center of the page is a circular logo with a yellow background, containing a hand icon and the text "E-VET" and "Everything about pets". The right side of the page is dominated by a large image of a golden retriever dog wearing a stethoscope, with a small black and white kitten sitting in front of it. The browser window includes standard navigation icons (back, forward, home, etc.) and a search bar in the top right corner.
